Tikatarisa pakati pelslam nezvime zvitendero, tinoona kuti Islam inoyananisa pakati pevarume nevakadzi. Semufanandidzo, Islam inoramva zvachose pfungwa yekupomera mhosva huru pana Evha kudarika Adhamu pakudya kwavakaita muchero usingabvumirwe. Maererano nelislam vose Adhamu naEvha vakaita chivi, vose vakaita rupinduko uye Mwari vakavaregerera vose zvavo.

KODZERO DZAKAFANANA PAKUTSVAKA RUZIVO

Vose varume nevakadzi vanokurudzira zvakafanana kuti vave vanotsvaka ruzivo. Muporofita (Rugare Ngaruve Kwaari) akataura kuti: “Dzidzo inomanikidzirwa kune muMuslim wose

Zvakare, vakadzi vechiMuslim vakange vakadzidza zvikuru vakawanikwavo panguva yaMuporofita (Rugare Ngaruve Kwaari).
